“ *My Tia Olga was a wonderful woman with an infectious smile and laugh. That’s how I remember her. I have so many memories having spent time with her and family throughout my childhood over the years. Mi tía siempre muy contenta y sonriente! Mami tenía un gran amor por sus hermanos y hermanas y siempre lo mostró. Although a distance away, my Tia has always remained in my heart and in my thoughts. I feel profoundly grateful for all the love, kindness, spiritual guidance, and support my Tia blessed me with in my earlier years and for teaching me about Jehova every chance she got. Tia came to be with me when mom left us and I will always remember that and the many special memories we shared. It brings me happiness that Tia had the opportunity to meet my son, Micco. También siento much tristeza que no llegue a verla esta primavera como había planeado y a la vez siento tranquilidad que ahora mi tía esa descansando. Tía Olga is resting peacefully and in Jehova’s memory. Siempre la recordaré. Forever in our hearts.*

With deepest sympathy, I pray you find comfort remembering my Tia’s beautiful smile while cherishing the beauty of the love she shared. We love you Beto, Cindy and girls. Muchos abrazos fuertes para toda la familia.
