“ Today is going to be a difficult day. We have lost the backbone to this family. Ophelia was more to me than a mother-in-law, she was my friend. Someone I could count on to be there especially when I lost my Dad and most recently, my Mom. I am going to miss those daily phone calls just to say "what you doing girlfriend" She will never know what a honor and privilege it was to care for her on her final days on earth. I will be forever greatfull for the talks and knowledge she instilled in me. Thank you for the trust you had in me. Although you are not physically here, I know your spirit will surround us. You are in a better place now . No more pain! We will make sure your legacy continues. This isn't "goodbye" it's " I'll see you later.....until then! Ready Freddy.....
Love you always, Debbie(your daughter-in-law)
