“ I will forever miss my grandpa Oscar. He was always kind, generous and always happy. He was very patriotic and so proud to have served in the US Army and to have fought in World War II. He would recount stories of fighting in Germany in freezing temperatures. He would give you his last dollar with hesitation. He loved us so much and we loved him even more. He was like a 2nd father to us. Always a strong, positive, father figure in our lives. The world has lost a brave soul, and we will miss him everyday. But, we know he is in heaven, rejoicing with the Lord, with my grandma, and with my dad. We love you grandpa. Diego and I love you and will miss you everyday... Until we meet again.
