“ My condolences to Pat's children and her family. Pat and I met at Immaculate Heart of Mary Catholic School in Harlingen, in Kindergarten. We went through the years and graduated after completing 8th grade. We continued being friends attending 9th grade at Coakley Junior High and then graduating from Harlingen High School, Class of 1970. Seeing each other during the years brings so many good memories. Pat, no more pain, peace and joy always! Until we see each other again. Love, Anita Perez Carpio

I've known Pat since kindergarten, beautiful person, beautiful soul. My sincere condolences to her family. I was two days older than her and we always said our parents attended the same New Years Party. She will be missed but forever in our hearts.

Thank you Anita and Mr Villarreal. Mom was truly one of a kind and she is very missed.  
Anita, I'm sure she and Dad are up there still driving each other crazy and getting on each others nerves!  
Mr Villarreal, thank you for sharing... that made me laugh and Lord knows I needed that laugh!
