

Patricia Ann Palomo

February 22, 1960 - December 18, 2022

Our beloved Patricia Ann Palomo, 62, passed away surrounded by loved ones on Sunday,

December 18, 2022. She was born on February 22, 1960.

Patricia was a graduate of Harlingen High School class of 1978 and was a member of the

acapella choir. She attended Texas A & I University, Kingsville and graduated cum laude with a

bachelor of science degree in education and a minor in biology.

She was an elementary school teacher who taught at Lamar Elementary School in Harlingen,

TX for 28 years.

She loved everything about life. She loved visiting and laughing with family and friends, and was

a talented artist with the most beautiful voice. Patricia was an absolute whiz at sewing.

Some of her favorite pastimes were going to the beach, watching Korean dramas, and

shopping.

Her thoughtfulness and giving nature touched everyone. She was always quick to offer help and

kindness to her family, no matter the size of the task. She was everyone's biggest fan and

offered encouragement, even when we didn't know we needed it. Her greatest love was her daughter, Adrienne, along with her adorable little old puppy Slade, a close second. Their mother-daughter bond was unbreakable. I love you the most 'n the post toast!

Patricia faced Scleroderma & Raynaud's Phenomenon courageously and with unyielding determination. She helped many medical professionals learn about her condition throughout the years. The teacher in her never retired.

She is preceded in death by her youngest sibling, Edmund. She is survived by her daughter,

Adrienne Rachelle Roseberry, her parents, Mike & Betty, siblings, Mike, Jr (Lynette), David,

Mary (Clay), Ruben (Christina), Melissa (Sergio), Michele, Melinda (Shane), Saul (Melissa), and

Teresa (Brian). She was also the proud aunt to many nieces and nephews, Stephanie, Brandon,

Kristen, Justin, Bryan, Cameron, Caleb, Madeleine, Sabina, Allison, Sydney, Shea, Vivian,

Nathan, and Thomas.

Services will be privately held for the family. In lieu of flowers, please consider donations to UT

Health Physicians, Dr. Shervin Assasi, Director, Division of Rheumatology.

Their expertise in

treating Scleroderma was greatly appreciated. Awareness of Scleroderma and Raynaud's

Phenomenon would benefit anyone who suffers and their loved ones from this disease in the

future.

Any donations can be sent to <https://giving.uth.edu/pages/department-pages/mcgovern-medical-school/division-of-rheumatology-at-mcgovern-medical-school-donation-page> or In lieu of flowers, the family asks that gifts be made to UTHealth Houston, PO Box 20268, Houston, TX 77025-9998 or giving.uth.edu/memorial

“ Dear Betty and Mike
We just heard about your daughter Patricia's death. We imagine is very difficult for you guys. We want you to know that the Palomos family has a special place in the Schroeders family. Hoping and praying for acceptance, peace and gratitude for the time you had her on earth.
Our condolences and love. Rest in Peace.
Maria, Fred, Nuni, Jose Jr. And Fernando.
