“ My sincere condolences to the family of Paula L. Ochoa. The death of a dear loved one is a very painful experience. With all respects I would like to give some comfort to the grieving family. What helps me cope with the death of a loved one is the hope found in the bible. At John 5:28,29 we read God's promise of resurrecting those that have fallen asleep in death. And how wonderful it will be when the promise in the book of Job 33:25 gets fulfilled. It says that we will regain our youth and energy we once had. I truly hope these scriptures bring you some comfort during this difficult time.

Sincerely,
Ellie
