“ *Why did you have to go?
It seems will never know.
However, in our hearts you will forever stay.
Therefore, the memories will never go away.
It happen so fast we had no time to prepare.
It left broken hearts that really was not fair.
Now that you're on the other side,
Tell grandma we said hi.
I am sure you are happy and now free.
And going to watch down on everybody.
Smiley faces and open arms will wait.
As you pass through the promised gate.
So when you reach the heaven above,
Just remember how much you were loved.
