“ Sylvia, Rey was an amazing man and always smiling. You two were the most beautiful couple on the dance floor. We loved going dancing with the two of you. Although, it was never often enough. He will be missed by all of us at TW who had the priviledge of actually knowing Rey. He gave so much more to the residents above and beyond what he was paid. And he never forgot to stop by if he said he would. Rey was one in a million and a very honorable man. We truly appreciated and respected him. It was an honor to have him as a friend. It is with deep regret and sorrow we say goodbye to our friend, Rey, gone too soon. With love, Penney and Bob Shook

“ To Sylvia and all the Barajas family. Please accept our most sincere and heartfelt condolences on behalf of Alfonso and the Elizarraraz family. I am saddened to hear of the passing of my very good friend Rey. He was like a brother to me, and held a very special place in our family. Rey and I grew up together so there are a lot of childhood memories that I will always remember. Growing up Rey was a very good friend you could always depend on. Our families were neighbors for many years. We stayed good friends through thick and thin. We also got in to trouble together, but not too bad. Unfortunately our lives move us in different directions, city's and jobs. We tend to lose touch with the busy schedules of life but the memories, thoughts, and prayers are never forgotten. It is definitely heartbreaking to hear of Rey's passing. But the adventures we had growing up, will live forever in my mind and in my heart. Rey was not just a good neighbor, he was a person of great faith, a great family man, and especially a very good friend. He was like that because of his parents who were also very good people. I will miss my friend, my brother Rey, May God bless your family and give them strength in this difficult time. May he rest in peace.
Sincerely, your friend, always
