“ *My brother-in-law, Rey, was not only a kind and helpful relative, but also our son's Master Scout Leader for Troop 25. He spent much of his spare time and vacation hours working with the boys and always made sure that his troop was well represented at Camp Perry and at many community service events. We will always be grateful for his commitment to the Boy Scouts of America and especially Troop 25.*

“ *Rey was a wonderful and dedicated Scout Master for Troop 25. I know the Scouts and parents are devastated with the loss of such a selfless leader.*

*He taught my son how to wood carve, and it opened up a world of fun and creativity for him. He's continued carving and credits Rey with the gift of this hobby. I know years from now he'll continue to be remembered in little quiet moments, like when my son is carving something or reflects back on his Scouting journey.*

*We carry those who have passed with us, for the remainder of our lives and Rey is no exception. The memories he's gifted us will keep us company until we can meet again.*

*With you in grief,  
The Hurns  
Troop 25 Scout & Scout Parents*

“ Our deepest condolences to the Cantu family.  
Rey was fond of going fishing and being Boy Scout leaders with my late husband Arnold Ortega. Both loved doing activities with the Boy Scouts. They are both up in heaven & can now fish together once more again.
