Ricardo was a hard working family man that provided for his family and instilled in his children that God, Family and education were the most important things in life. He was an avid sportsman and enjoyed the great outdoors. He hunted or fished year round and enjoyed every season being outdoors. He taught his sons to love the great outdoors and his remaining son, Serjio is as enthusiastic about hunting and fishing as his father. Those that knew him, knew that Ricardo was a very talented singer and loved to sing the songs of Pedro Infante, Frank Sinatra, Patsy Cline and Nat King Cole. He

was a wonderful singer and no one ever got tired of listening to him sing. He especially loved children and all of his grandchildren have fond memories of their grandfather singing, playing, taking them out on tractor rides or enjoying all the delicious food he would make for them.

Ricardo will be dearly missed by those that knew and loved him. However, we know that he is in heaven with his wife, sons, parents and siblings. He so wanted to see them all again and now he is with them.

Thank you Jesus for giving us the privilege of calling Ricardo Andrade, "Our dad"!
