“ Mr. Gonzalez was my first field training agent. He made an impression on me that continued throughout his career. A caring by the book respectful agent in the highest tradition of the United States Border Patrol. To his family, my condolence. I retired Agent In Charge of Investigations in Brownsville, Texas for USBP in Jan. 2002. I have always tried to model myself after my friend Mr. Gonzalez. Again, sorry for your loss.

“ So sorry for your loss. I have very fond memories of visiting your home and listening to him play the guitar. It was so enjoyable watching him play and seeing how much he enjoyed playing and singing. He was a very kind and helping man. He will be greatly missed.
