“ *Roberto, you are going to be sorely missed by all your family and friends. You were the patriarch of our family and you were always there with good advice to all our brothers and sisters. You were a great husband and companion to Essie. We spent a lot of quality time together and enjoyed you recounting some of the highlights of our childhood upbringing. Although we miss your presence, we know you are in a better place. Know that you will be reunited with our wonderful mother, brother and sisters. I will not say goodbye but rather so long and we will see you soon. We love you bro! Rene'*
