“ I am with you my dear sister in Christ. Friends are like the blood that rushes where the wound is. I have no words. Wanted you to know that Roberto left accompanied by our prayers. I said a Rosary, the Divine Mercy chaplet, La oración de Santa Brígida and the Litany of Loretto for him. Mary Sanchez was also praying at the same time. I send you all my love wrapped in a hug.
Your sister , Isa

I wish I had a spiritual curriculum to hand at the gates of heaven like Roberto's. We should be rejoicing for him in the middle of our pain. Our hearts ache . This tear is too painful. Lord, we offer this pain for the loss of our brother, united to your agony on the Cross for the remission of sin, conversion of sinners, unity in the church Jesus founded, for the sanctity of Church leaders and pastors, for the end of abortion, strength, peace and endurance for his family. In the Holy Name of Jesus , through the Immaculate hands of Mary.

God wanted to bless me more and gave me Roberto and you in my life. You both are a real gift from God to enrich my life and bring me closer to Him. I am already missing Roberto but I am grateful to the Lord for my certainty of where he is and with who.

So happy that my Mom, Dad, Grandma and Mamá (my mother in law, the 4 most important people in my life) will rejoice to see him coming. They will be very close in heaven.
