“ Rochelle was one of the great Mapleton group of gals that attended UM & we all rented an apartment together! Rochelle was a special gal & one fond memory was when we packed up tents, sleeping bags and a cooler, piled in her 65 or 66? Ford for a camping trip to the Black Hills - this would have been in the Spring of 1970. We had a great time. My sympathy on the loss of Rochelle “Rocky”. God wrap you in his loving arms & comfort you with each new sunrise!
