“ 🌹 Rosie, it was very difficult seeing you go.

You told me you were ready & I told you to go and be at peace, go join Welo & Wela & your siblings. 💔 Comforting you until the end, reminding you the present & non present family members love you & you told me you knew.

So heartbreaking when I think of your last moments, makes me sick.

Just know you will be missed dearly, you were my cool aunt, someone I can share information with and speak to for hours, you were a great listener, you knew how to take care of business & trust I'm the same way, you taught me well & your wisdom has inspired so many. May you rejoice in heaven with your parents & siblings & watch over us living in peace & harmony. I love you very much & I'll cherish all the good memories we shared! 🌹🕊️😘❤️😭
