“ *TAPIA A Dear Treasured Friend! She was there in the happiest of times the birth of my children, my college graduation, and the saddest of times my fathers, nephew, and grandma's passing but she was a rock. She had a tender heart, kind words and open arms to anyone who crossed her path. She was one of the happiest and well loved people I knew. I am honored and blessed to have had this beautiful lady in my life. My deepest heartfelt condolences to Lucy, Manny, Manuel Tapia and her wonderful siblings, niece, nephews, and Mr. and Mrs. Cruz Saucedo. This beautiful lady will be missed.*

Sincerely, Edna Weaver
