“*Rosaura, my most sincere condolences on the loss of your wonderful best friend, your husband. I'm sorry I wasn't able to attend as I went out of town with my sisters. My prayers going out to you and the family, that God may give you the strength during these difficult moments. I know there aren't any words that may ease your pain, but just knowing you were a very lucky person to share many wonderful memories with your husband and with time you will learn to cry, laugh and remember all the great times you had with him. I had the pleasure of meeting your husband a couple of times and could tell you two had a beautiful relationship full of unconditional love. May he rest in peace, Gone but will never be forgotten....*”
