“ My deepest condolences to the family and know she is in the Lord's presence celebrating her new life in Christ. I am so blessed that San Juanita remembered me and invited me to the parish bible classes back in 2009. We graduated the same year from Mercedes High School. Since I am here in the valley only six months out of the year after our retirement, I was pleased to assist her with rosary at funeral homes whenever she needed a substitute. I was grateful that she was available to lead the funeral rosary for my brother and was lector and Cantor at the funeral mass in September 2018. Her smile radiated a serenity of peace and love for our Lord. I last talked to her in June to see how she was and to inform her I was back In Virginia and not available to assist with funeral rosaries. She mentioned having some health issue and needed to check it out. I tried calling during the late summer and fall but I guess she was no longer taking calls although she and her family were always in my prayers. I thank Nachi for bringing me up to date once I returned to the valley in November.
