“ *Such a beautiful woman of God !!  
My heart aches for you my big Sister - Sister you left me too soon ...  
you let me vent about anything and everything - when I was hurting,  
upset, really really mad, or scared you gave me words of wisdom-  
all encased with the word of God... you would tell me "calm down  
little sister " and at the end if in person you would hold my hands  
and say "let's pray" if on the phone you would say "okay. Let's pray"  
and at the end before hanging up always always say to me "I love  
you"...*  
*My beautiful sister inside and out...*

“ *I worked with Sylvia on some United-Way presentations some years back and she was a very nice and sweet lady. She was very professional and great to work with during our presentations. My thoughts and prayers go out to her family and she will be missed. Peace of mind knowing she is with our lord and is watching over her family. She will always be with her family and loved ones because of the great memories you all share.*
