“ *I love you Great Granny. It was an honor serving you over Christmas and words cannot express how happy I am that my first born son had the chance to meet you and hear you pray over the entire family. It was the most beautiful and moving prayer I have ever heard. Though I couldn't be there in person, I am so happy I had the chance to say goodbye. You will definitely be remembered, reminisced about, and referenced as the best pan de polvo maker we will ever encounter. You brought so much joy to all of your family and asked for nothing in return. You knew the word of God and there is no doubt in my mind that I will see you in Heaven one day. You taught my mom how "to eat crow" and even if you didn't know it, she shared that teaching with me recently during my struggles and it helped me overcome them. Thank you.*
