“ I will forever cherish everything mom ever taught me. She showed me how to keep a clean house, which I think sometimes I'm OCD. She showed me how to be giving of my time, by helping others. Giving financially, to help others in need.. To always forgive and forget, as God wants us to do. Never hold a grudge against anyone. And most important of all, to love unconditionally. She showed me how to be a good daughter, wife, mother, sister and friend to everyone. I love you mom and miss you, but you will forever live in my heart. Te quiero mucho. My guardian angel 🙏❤️

*I didnt really know her that well but i must say that i do remember how full of life she was, I remember attending parties and she was always dancing, smiling and she ALWAYS smelled really nice. When I would ask for or about her i always referred to her as "The grandma who smells good". She would always make me smile, I will miss her fancy vivacity. My sincerest condolences to the family.*
