She Is Gone

*You can shed tears that Victoria is gone
Or you can smile because Victoria has lived*

*You can close your eyes and pray that Victoria will come back
Or you can open your eyes and see all that Victoria has left*

*Your heart can be empty because you can't see Victoria
Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday*

*You can remember Victoria and only that Victoria is gone
Or you can cherish Victoria's memory and let it live on*

*You can cry and close your mind, be empty and turn your back
Or you can do what Victoria would want: smile, open your eyes,
love and go on.*
