“ My condolences to the family.....my father, Jose Isaac Galvan was at the Atrium Rehab from December 2013 to April 2014, in that course of time we got to know Virginia and interact with her on a daily basis. Amidst her disability, she was a warrior and still gave of herself to others and was a joy to be around her. My father was called by the Lord on August 30, 2014 and I see she was called the day after. Although those that stay behind suffer a great loss, they are both now rejoicing with the Lord, rest assured that my father also will watch over her. RIP Virginia
