Virginia grew up in Kalamazoo where she eventually met and married Fred Anderson. Together they raised four children: Kevin, Scott, Lori and Gary. Virginia and Fred moved to Llano Grande Lake Park after retirement in the early 90's. After Fred's passing Virginia married Donald Hirsch and assumed the roll of a mother to Don's family.: Sheri, Sue, Laura, Tim, Eric, Ron, Katie, Michelle and Jennifer. Don and Virginia remained in Llano Grande Park where they established a comfortable and loving home. Virginia was active in the Llano Grande social life and served as Recreation Director for a number of years. She was an energetic and helpful Agents selling mobile homes and real estate in the Park. Many resident, past and present have acquired the homes thanks to "Ginny's" tiredness efforts. Ginny loved the beach and was always ready for a trip to South Padre Island for a walk in the sand and to see her beloved dolphins. Don is a tireless gardener who provided Ginny with a beautiful yard full of flowers, tree, and blooms to attract the hummingbirds she so adored. Virginia is known by nearly everyone in in our small community. "Everyone knows Ginny". She was a tireless friend who would go miles out of her way to help. Virginia could never turn a request for assistance and she gave of herself with Love and Devotion. The many people Virginia leaves behind to carry on in God's great creation will always have a little bit of Virginia Hirsch in their hearts. God speed Ginny, be at Peace. Services are
