

## William Robert "Bill" Keltner

May 29, 1931 - October 8, 2023

William Robert "Bill" Keltner 92, was born May 29, 1931 in Vienna, Illinois to Robert Keltner and Margaret Upton Keltner.

Bill was a graduate of the Merchant Marine Training Academy in St. Petersburg, Florida in 1950. He spent years on Commercial tankers and freighters around the World. He went to work for the WBAL in Baltimore, Maryland as a radio announcer and later at KGBT-TV for 40 years.

In the 1960's he was on camera, he was especially remembered for the Daily Show called "Table Talk" with Johnny Goodman. He later went to the sales department which he enjoyed very much. After retiring from KGBT, he went on to work for the La Feria News, he enjoyed writing feature articles as well as teaching Spanish at TSTC.

He loved the SEA which was shown in his love of sailing throughout his life. He loved astronomy and he knew so many stars and planets by name. He was an active amateur radio operator and enjoyed talking to people around the world.

His love of languages, he spoke 5, was motivated for his love of others and being able to share his greatest joy in life, apart from his love for his wife Rita and family. This joy in sharing the Truths of the Bible, the real good news how

very shortly Jehovah God, the God of the Bible, through his son Christ Jesus and his Kingdom will bring about lasting Peace and harmony here on the Earth which was Gods original purpose for mankind, and those in the Memorial tombs will be resurrected to everlasting life here on earth. This is the only hope for mankind and he believed that thoroughly. (Revelation 21:3,4). Now he awaits that resurrection and we his family wait to welcome him back shortly...world conditions show these events will take place very soon.

We miss him dearly especially his wife Rita of 70 years, his son Rob, his daughter in law Pamela...which he loved as a daughter...grandson Travis and his wife Amy and his great-grand daughter, Matilda. We will see you soon DAD.

A Memorial Service will be held Saturday, October 21, 2023 at 5:00 PM on Zoom.
