“ Primita Ysela 🤗 a cousin down to earth always with a sincere smile on her face her hugs were real. She get out of her cubby window in the ER to come n greet us n making us feel that everything was gonna be ok. I will always remember her bringing me information on status of my brother n bringing me his belongings n coming to visit us at my brother's house. She came to visit n comfort me in the room when Billy was in hospital. She had a calling being a awesome nurse which very few have. I will truly miss your beautiful smile.
